

Get Involved

& Help Your Child Succeed!

When parents get involved in their children's education, it pays off.

Research shows that children whose parents are actively involved are more likely to:

- Earn higher grades and test scores
- Adapt well to school
- Attend school regularly
- Have better social skills
- Show improved behavior

Parent involvement is great for children, great for teachers, and great for school.

*But I Don't Have Time!*

Just an hour or two a semester can really make a difference! We even have jobs you can do from home.
